Fill out our simple *Prequalification Form* and follow its instruction to verify your personal credit worthiness, the process takes about 5-10 minutes.

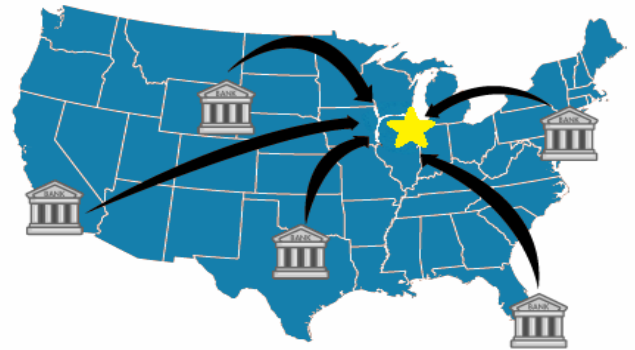

Submit your *Prequalification Form* along with your credit report to your designated consultant at Blue Note Assets. Your consultant will start with thorough analysis of your business, and depending on your credit status, pre-qualify you for up to \$150,000

When your business has been pre-qualified for up to \$150,000 in unsecured business credit, our experts will guide you through the application process, keeping you updated and helping you resolve any approval conditions that lenders may have. In as little as 15 days of your full application, your business will receive up to \$150,000 in unsecured capital.

# How Our Process Works

Blue Note Assets works with over a hundred national, regional, and local lenders and credit unions. Our experts are consistently tracking each and every lender's trends and requirements, and use this data to optimize your financing mix so that you receive the most capital, with the lowest interest rate, as quickly as possible.

## What You Need to Qualify for Working Capital

## What You Need to Qualify as a Start-Up (Up To \$75,000)

# Details

---

## Low Interest Rates

- Rates as low as 8.99%! 0% interest rates for the first 6-12 months!

## Unsecured/No Collateral

- Your business does not need to leverage it's assets to acquire capital

## Stated Income/No Docs Required

- Simple two page application, no income verification

## No Restrictions on Use

- All of our products can be used same as cash, we do not burden our clients with vendor trade lines (I.E. BP credit lines, Office Depot credit lines).

## Funding in as Little as 15 Days!

- Quick Approval Process, which means your start-up can take advantage of opportunities in the market faster, putting you ahead of your competitors

## No Upfront Fees!

- We do not charge our clients for submitting an application, we are paid solely on results. We charge a 10% success fee based on the principle balance of funding our clients receive

## Lines will not report to the personal credit bureaus

- Drawing these credit lines will not affect your debt/credit ratio, thereby sheltering your personal credit for personal necessities (auto loans, mortgages, student loans, personal credit cards). Lenders will only report defaults to the personal credit bureaus.
